

2014 Experience SWUPL Summer Program

Program Highlights

This program is open to the students from SWUPL partnership universities with the aim of allowing students to learn more about China. The program will be delivered in English with combinations of lectures, seminars, interactivities, fieldtrips and visits with regard to Chinese legal system, economy, society, language and culture etc. Participants will also experience living in the municipality with the most potential in western China. The program will last 2 weeks with a graduate certificate presented to all participants. During the program, accommodation ,organized activities and meal allowance will be provided by SWUPL. We expect participants will have a special summer at SWUPL in 2014!
